## SIM Only Mobile Plan

### INFORMATION ABOUT THE SERVICE

The service is a SIM-only mobile phone plan compatible on devices using the 5G network. The plan is made up of ‘Voice’, ‘Text’ and ‘Data’ inclusions. Mobile coverage is delivered via Optus 5G mobile network.

#### Minimum Term

All plans listed below are on a month-to-month contract.

#### Data Charges

If you’ve reached the maximum limit of your data inclusion and are not on a capped plan, you will be charged \$10 per Gigabyte for further data usage until 10 Gigabytes over your plan limit (where the data component of the plan will be disabled and you need to contact SpinTel to remove the block). Data is calculated for both downloads and uploads and rounded in KB (per session). Additional data can be purchased in blocks for capped plans from “My Account” charged at \$12 for each additional 1GB.

#### Minimum Monthly Charges

The minimum monthly charge for the Mobile plan is the charge of your selected plan. For example, if you were to select the ‘25GB’ Month-to-month \$22.00 plan, you would be charged \$22.00 per month. This amount would increase if you exceed your included data inclusion and purchased additional data, or use services outside of your plan inclusion (see ‘Data Charges’ above).

#### Unit Pricing

The price per unit of voice ‘Minutes’ is not applicable as the allowance is unlimited within Australia – please take note of the ‘Acceptable Use Policy’.

The cost of using one Gigabyte of data on the month-to-month plans is \$0.60 on the 25GB plan, \$0.58 on the 50GB plan, \$0.35 on the 100GB plan, \$0.33 on the 200GB plan.

#### Minimum Total Cost

The minimum total cost for the Mobile plan is equal to the cost of your plan for example, if you select the ‘25GB’ \$22.00 plan, the minimum total cost would be \$22.00.

#### Early Termination

Month-to-month plans, and plans combined with an eligible Internet Bundle may be cancelled at any time, but you will be billed till the end of your current billing cycle (generally the end of the current calendar month).

#### Plan Changes

Month-to-month plans may change between other Month-to-month plans at any time but not at the discount price. The new plan is effective at the beginning of the following month (or your next billing cycle).
